Special Skills:

This month we are learning to Imagine!

Christmas Countdown: This half term is one of the busiest but most exciting of the year as we countdown to Christmas.

School Improvement: We are constantly updating school and we have invested in building renovations over the summer and half term. The final phase of our building work will be completed by September 2019 and will ensure we have a modern, well-resourced Primary school both inside and out. We have invested in our sports provision again this year with resources for Hockey, golf, tennis, netball and football. This includes sports kits for our KS2 teams as they begin competitive competitions. Our other significant investment is in our music provision for KS2 with every child receiving a guitar and guitar lessons weekly in Year 3.

Parent evenings: These will be held on the 7th and 8th. At parent's evening you will be given your child's targets for now until February and we hope you find this useful in supporting your child at home. Please sign up for an appointment outside your child's classroom.

Christmas light switch on 17th Nov: We are very excited to have been asked to sing at the light switch on. We are offering this to all our year 1, 2 and 3 children and you need to sign up on

parent pay please asap.

Flu Vaccine reception, Year 1, 2 & 3: These will take place on Tuesday December 4th. Your child will only receive the nasal vaccine if you have completed the consent form.

Cold Weather: As we approach winter and the weather is colder please ensure your child comes to school with a warm coat, hat and gloves (all named please) to ensure they are warm when playing outside at break times.

Contact details: Please ensure we have correct contact numbers for you and your next 2 contacts in case we need to contact you about your child. If you need to update us with numbers and emergency contacts, please come to the school office.

Please do not hesitate to contact us if you have any questions comments or concerns.

Many thanks
